Recruiting is a funnel

**Most people just don't
treat it like one**

They send messages, hope someone
replies, and cross their fingers for a hire.
No tracking. No feedback. Just grind.

The real bottleneck isn't talent. It's...

Manual clicking 

LinkedIn limits 

Getting flagged 

No visibility 

Repeating the same message 200 times 

You don't need more hustle. You need a system.

won't save you.
Better ones will.**

That's why I'm sharing **5 LinkedIn DMs**
recruiters are using right now to get replies.

Steal them. Tweak them. Try them this week.
